Thread: [Free Crypts 6 people only for now](#)

Assadine - July 22, 2024, 2:27 pm

Rules, Conditions, And Tips

1. No Uploading to Virus Total or any distribution based scan sites use scanner.to or kleenscan.com
2. 1 per Person
3. Must vouch if fud
4. its only detected by 1edr currently and a false flag on a second one
5. dont set persistence in ur stub as my crypter has its own
6. If you want to tip feel free ill appreciate it so i can use it for creds on scanner.to

-Ketamine Solutions Crypter

slots 0/6

globalroot - July 23, 2024, 9:09 am

Why you would suddenly give 6 free crypts for people here? Knowingly they will spread it to day-to-day people and will ruin it in 3-4 days?

it was going to be 50 for the crypter
and 60 for lite edition rat

or bundle both for 100

mycatisqt - July 23, 2024, 2:03 pm

do you have a tg for ur main crypter with prices?

Assadine - July 23, 2024, 2:15 pm

ketaminesolutions is tg

(Jul 23, 2024 02:15 PM)Assadine Wrote: [\[CITE\]](#) ketaminesolutions is tg

just fyi main crypter isnt even released yet and when it is there will be a sales thread here so people can open contracts

the tg is just a dev log atm and currently completed/in progress features

You can also get reputation by selling software.

Of course, choice is yours.
