Thread: [The End Of The World](#)

Lil Buddy - July 23, 2024, 5:28 am

I know this is subjective but with all the problems our world is facing how do you think the world will end and do you think you will get to see the collapse within your lifetime?

People just not being nice to each other on a human level is what I think will really do the most damage to society in my lifetime at least.
