Thread: [EARN \\$1000 IN LESS THAN 10 MINUTES OF WORK | UPDATED 2024 | FREE MONEY](#)

BlessedALGO - July 23, 2024, 10:56 am

Learn how to make thousands for free with just a few minutes of work per day, welcome to Tap To Earn.

People have been making \$10K+ per months farming these that anyone can do.

Here is guide on how to get started, also as a bonus I have hand picked a few gem projects below!

First of all if you do not believe me that people have been making thousands with this research \$TON

Lets get started!

All you will need is telegram app and 10 minutes of your time daily

1. Project Zesh my 1# conviction play, many partnerships and very early in the making [CLICK HERE](#) (ref link) ? Open the link in Telegram and click on "Play now and earn coins"; ? Complete the tasks daily to earn tokens, should take around 3 minutes each day. Joining with my ref link gives us both extra 1000 tokens that potentially can be worth 100s of dollars, but not required.
([non-ref](#))

2. Project TapGOAT They are backed by multiple big names and confirmed the listing on various Tier-1 Exchanges. Go to [CLICK HERE](#) (ref link) ? Open the link in Telegram and click on "Start"; ? Press "Play" and go through the splash screen. Joining with my ref link gives us both extra 5000 tokens that potentially can be worth 100s of dollars, but not required.

3. Project TapCAT They are backed by multiple big names (soon to be revealed) and confirmed the listing on various Tier-1 Exchanges. Go to [CLICK HERE](#) (ref link) ? Open the link in Telegram and click on "Start"; ? Press "Play" and go through the splash screen. Joining with my ref link gives us both extra 1000 tokens that potentially can be worth 100s of dollars, but not required.

BONUS TIPS

1. Login daily and complete tasks should not take longer than 10 minutes.
2. Invite your friends
3. I have personally bought couple of phones to farm 24/7
