Thread: [Make money from telegram with crypto calls](#)

ambitions - July 31, 2024, 7:37 pm

create a telegram channel

repost 5 crypto calls from twitter daily

promo the group via. TikTok slides spam

after it reaches 1000 subscribers you will unlock monetization

crypto projects will pay \$ to run ads on your channel within a day or two

Hope it helps! let me know if it does and I'll bring more :)

once you get 1000 subs to the telegram channel, you can monetize. Works just like youtube pretty much
