Mooooookie - August 2, 2024, 5:03 am

\$124 USDT Contest, available for all members.

Rule are simple:

Upgraded Members:

- QL the post
- Max Popularity
- Tag an upgraded user who hasn't participated in the contest, who hasn't been tagged already by another user, that has been active within the past 2 weeks.

Non-Upgraded Members:

- Tag any user who hasn't participated in the contest, who hasn't been tagged already by another user, that has been active within the past month.

- There is no limit on how many entries you can put in, but you can only enter once every hour.
- Drawing will end on or around August 16, 2024.
- If you haven't already, please take your time and read thru the rules of the contest.
- Every entry in the contest will be checked, and validated.. any entries found to NOT meet the requirements of the contest, will be marked invalid.
- If your entry is picked, and your entry is found to be invalid, your winnings will be forfeited and a new winner will be chosen.

The winner will be drawn by an impartial 3rd party here on HF. Typically a Staff member or by a random user who hasn't already participated in the contest, in which it will be conducted thru the PM system and a contract for Staff transparency.

Disclaimer:

Spoiler ([Click to View](#)) I have hosted plenty of previous giveaways in the past, there's not particular user(s) that I would prefer win it, over any other users. I honestly don't care who wins. It's an equal opportunity for everyone to win, only thing you need to do is follow the rules of the contest. If you feel like the requirements of the contest are too difficult, simply don't enter. The same amount of effort participants are putting in to enter the contest, I'm putting in an equal amount of effort to validate each entry.

(Aug 2, 2024 05:03 AM)Moookie Wrote: [CITE](#) \$124 USDT Contest, available for all members.

Rule are simple:

Upgraded Members:

- QL the post
- Max Popularity
- Tag an upgraded user who hasn't participated in the contest, who hasn't been tagged already by another user, that has been active within the past 2 weeks.

Non-Upgraded Members:

- Tag any user who hasn't participated in the contest, who hasn't been tagged already by another user, that has been active within the past month.

- There is no limit on how many entries you can put in, but you can only enter once every hour.
- Drawing will end on or around August 16, 2024.
- If you haven't already, please take your time and read thru the rules of the contest.
- Every entry in the contest will be checked, and validated.. any entries found to NOT meet the requirements of the contest, will be marked invalid.
- If your entry is picked, and your entry is found to be invalid, your winnings will be forfeited and a new winner will be chosen.

The winner will be drawn by an impartial 3rd party here on HF. Typically a Staff member or by a random user who hasn't already participated in the contest, in which it will be conducted thru the PM system and a contract for Staff transparency.

Disclaimer:

Spoiler ([Click to View](#)) I have hosted plenty of previous giveaways in the past, there's not particular user(s) that I would prefer win it, over any other users. I honestly don't care who wins. It's an equal opportunity for everyone to win, only thing you need to do is follow the rules of the contest. If you feel like the requirements of the contest are too difficult, simply don't enter. The same amount of effort participants are putting in to enter the contest, I'm putting in an equal amount of effort to validate each entry.
