Thread: [Hottest Actress](#)

Omniscient - August 5, 2024, 3:47 pm

So right now who (no porn stars) is in your opinion the hottest actress?

I gotta say for me it's Sweeney. The nude scenes she has done just makes my heart race. She's a 10.

Not usually my type either but her sex appeal is through the roof.

Who you digging on?

N - August 5, 2024, 3:48 pm

Jessica Alba forever be a baddie.

I N C R E D I B L E - August 5, 2024, 4:02 pm

Meryl Streep - she's old but gold and then there she is - Amber Heard for me. Sara Shahi is next on the list.

I'm confused I guess. xD

Charlie Sheen - August 5, 2024, 4:41 pm

Madly in love with Emilia Clarke, especially when she had the blonde hair in Game of Thrones. There's a lot of other actresses that I've been crazy about like Kiera Knightley, Rosario Dawson, Elisha Cuthbert, Megan Fox, the list goes on, but they haven't aged the best.

Sweeney is damn fine but it's Natalie Dormer or Margot Robbie for me. Dormer's got a filthy smile - I reckon she's wild.

Zher0 - August 5, 2024, 5:29 pm

I'd probably say, Sydney Sweeney as well. But second place would be Inbar Lavi:

I love Israeli girls.

Zalbai - August 5, 2024, 5:53 pm

Kate Winslet, probably because of Titanic. :-) she radiates a natural beauty...

An actress in her 30s who stands out from other actresses is Sandra Bullock. She has a magical and special charisma, aura, along with a very infectious energy. ;)

Goku - August 5, 2024, 5:58 pm

Definitely Salma Hayek, twice my age (she is 57), but still so fucking hot.

I would be willing to bet everything that Gal Gadot is the most beautiful and attractive of all. She really enchants me enormously. ;)

1000% Ana de Armas. Tried to post a link but it won't let me, but we all know she's hot.

bevc - August 10, 2024, 11:54 am

Joanne Froggatt. I would give her the two most disappointing minutes of her life.

diablospartan - August 11, 2024, 1:06 am

Scarlett Johansson?

Badge - August 19, 2024, 6:20 am

I gotta agree Sydney First, Salma Second and Margot Third. Salma in dusk till dawn that alone could probably just edge first place.

I heard Danny Trejo talking about Salma Hayek, he said she's the coolest chick you'll ever meet, the first time he met her he was checking her out not very surreptitiously, and first thing she said to him was "How's your mother?", because she knows it'll instantly ruin whatever depraved fantasy a man is conjuring about her in his mind. Which I thought was hilarious.

James Clown - August 19, 2024, 9:30 am

I vote for Claire Forlani. Those chunky lips.

Velma - August 19, 2024, 9:54 am

Ana de Armas, Anne Hathaway, Jennifer Lawrence
