Deany - August 6, 2024, 1:57 pm

Gotta go with team mayo for that one

banonkiel - August 6, 2024, 2:36 pm

Sometimes I feel like making a mix.

Sometimes I just stick to a single one, If I had to pick one above others I would probably pick Mayo.

It would have to be mayo all kinds of mayo. Tartar sauce. Perri perri mayo etc... OR CURRY! Yellow curry on potato is so good.

_SyncX404 - January 8, 2025, 7:04 pm

The mustard won't make you fat and the butter will.

Curry , smoked paprika, ginger, pepper sauce, ..., that depends !

TheNaturalBoy - March 18, 2025, 12:42 am

In two ways.

First, a kind of homemade spicy sauce with small pieces of meat and lightly browned (not melted) cheese pieces. This type of sauce is when I make thick potato slices, since the sauce tends to be heavier due to the mix-ins, and I need to use the potato like a small spoon to make sure they don't break.

The other is when the potatoes are cut into sticks, and I make a kind of sauce with mayonnaise, chipotle, salt, and a little lemon. Also, a kind of seasoning that makes it a little more acidic and strong (piquín). This sauce is a little creamier and not as spicy, and the sauce adheres very well to the sticks.

What I like is that all of this isn't expensive at all; it's delicious and fun to make at home.

Yesterday I made a potato salad with Dijon mustard, Obama's favourite, and Perri Perri mayo and smoked salmon and capers, and capsicum that is red pepper, gherkins, spring onion, Italian herbs, fresh sage, salt and pepper. At the moment only have white pepper and have too much white pepper.

?inimalist - March 27, 2025, 6:29 am

Cheddar cheese or Mayo mustard sauce.

Fair enough. Do you make much curry by any chance. I make mild curries. Love lime leaves in curries but haven't been able to easily get them in a while.

cloverblanket - April 7, 2025, 11:06 am

potato wedges/fries = ketchup

mashed potatoes = gravy

baked potatoes = sour cream

(all versions with lots of black pepper)

ariluvs - May 18, 2025, 7:26 pm

migalo57x - August 31, 2025, 7:41 am

sharn - October 12, 2025, 2:28 am

I love sour cream on baked or mashed potatoes.

It is tangy and smooth.

The Pact - October 12, 2025, 2:30 am
