TOS:

? The store guarantees account performance at the time of sale (transfer to the buyer). The buyer assumes all responsibility for the accounts and must ensure their functionality immediately after purchase by checking the accounts.

? We are not responsible for any account blocking after the launch of the advertising campaign.

? Use individual IPv4 proxies (exclusive/private, used by only one person - you). Avoid using batch proxies (e.g., fineproxy, proxymir), IP changer applications (e.g., Hola, FreeVPN), and IPv6 proxies

? Use different profile programs and services. Different devices include multiple computers, phones, profile programs for logging into accounts, changing the UserAgent in the browser, or using special browsers that change device data (e.g., Indigo, Multilogin, Octo).

? No refund whatsoever all sales are final after successfully logged in account
