Thread: [50% OFF UBER EATS | Buy4You](#)

.Magic - August 9, 2024, 8:17 am

Offering a buy4you service for 50% off Uber Eats.

All I need is a screenshot of your items and the total, and your delivery addy and I will place the order for you!

Price is 50% off subtotal and 50% off fees, so 50% off total.

Max cart subtotal is \$25, can be a little over.

Most restaurants will work, some local ones may not.

Accepted payments: Crypto, Chime, revolut

This method is 100% legal.

Only USA for now.

Can you explain how the process would go for placing an order? Are you selling us a coupon code, or is there some other process?

All you will have to do is send me which restaurant, your cart, and address to deliver to and I will place the order for you.

Would be more interested if we didn't have to give our address out, but will keep an eye on this regardless.

GLWS!
