Thread: [What do you think of DashPHP?](#)

Koyote - August 12, 2024, 11:51 am

Personally, I find him exquisite and a loyal follower. On gawd, etc. What is your opinion of the Dashy one?

DashPHP - August 12, 2024, 12:00 pm

There's no way in hell you made a thread about me. ?

Follower?? Oh man. I hope your pages get taken down!

Deany - August 12, 2024, 12:02 pm

I like when that guy buys my sig space but atm Tsundere can't stop buying it the crackhead

TooBurnt - August 12, 2024, 12:05 pm

He's a good guy but I heard he doesn't shower...

Good helpful member, one that u will be lucky if he is ur friend

Eran - August 12, 2024, 1:09 pm

I think he deserves a life sentence for all the fraud he's actively committing.

I have no ties with either for the record so no personal bias here.

Yes bro best decision ever. These days I do start with hot, but only for a few minutes.

It's totally worth it, especially when you are a workaholic like me and want to maximise productivity naturally as much as possible.

The cold shower thing I might have to take back my previous statement you're wild ?. I have only had to shower cold once in my life and that was enough out in the woods.

Koyote - August 13, 2024, 7:03 am

Dash once called me up at 2am to ask if I was ticklish
