"Why are you not hanging out as much as you did before"

"What are you doing all day allegedly working on your computer"

Ffs, leave me be. If you see me less, I'm doing more. I'm focusing on money and myself, that's what's up ??

Wbu?

"What's wrong" when all I am doing is just sitting there. lmao, I mean, I appreciate the concern and all but it is more often than it should be. We could be out partying and ill take a seat and someone will say what's wrong, dude, I just wanna give my fatass a break from holding the floor down LMAO
