Thread: [Any Degenerates Who Placed A Bunch of Pre-game Wagers Bets Just Disappear? \(Draftking\)](#)

I had like \$30 in fights I put up over the week. They're not showing up in my open bets (which they should be as the parlays are still riding.) Settled bets. Lost bets. Nothing, just gone lol. No money in my account...

DraftKings US, UFC 304

I think you're talking about UFC 305. Yeah I placed 2 bets on those super underdogs. Alex Reyes and Herbert burns. I knew they would lose but I'm a sucker for those underdog bets. Also made a small bet on Dricus, not a fan of the odds since they are both -110

Gz on Dricus, sadly I think Izzy's kinda lost it. I think its mental. He seems so frozen in the cage now, its weird. Did you get your money from your DDP bet?

I don't bet. I don't like boxing.
