Of course, my wife and my kids then my Mom, Aunt and my siblings are the best. My Dad is already gone but he is one of a kind.

Think I'm most grateful for my family, friends and relationship at the minute; either that or my current job.

All those things tbh, they all contribute to a good bit of happiness in my day to day life.

Gonna give God a shout-out too, without him, all of these things would likely not be possible.

I'm definitely most grateful for my family. My family has been there for me thru out all my ups and downs in life, and no matter what the situation was. Couldn't ask for anything better in life.
