They're a bit dated now but because I watched them so much growing up it still hits for me haha.

The fact that it was set in Las Vegas made me watch this

MishaOMBr - August 28, 2024, 11:32 am

I must've watched them all (sometimes back to back) well over a dozen times by now. I think they're timeless personally, and thoroughly entertaining.

Edit: Oh check out "Diamonds Are Forever" the James Bond film!

It was a good series for sure.

Minus MaTt DaMoN and it would've been a 10/10.

Matt Damon makes it a 8/10 unfortunately
