Thread: [Email extraction](#)

L3ANDRINK3R - August 26, 2024, 1:57 pm

lots of ppl been saying you cant mass extract emails using sqlmap but i just extracted 20,000+ emails from 1 db :D

Legend, please teach me

tpmhdp - September 11, 2024, 6:30 pm

And how much it took? In only one connection? Some DB close connection after a while...

Damn, you must be a Buddhist monk who spent year meditating under a tree, and practicing kung fu, you have PAITENCE

but can you please tell me what command you used? I would like to know
