Thread: [To have 2 Discord accounts banned](#)

I need two Discord accounts banned, is this possible to do and if so how long for and how much for each account?

The accounts are not famous or anything like that, just regular people.

I don't know if it's possible unless they are actively breaking discords TOS. But if someone reaches out saying they can, I'd have a MM hold funds for a week or so before releasing. I know a lot of those social media bans are never permanent.

Yeah absolutely I will mate. Indeed I don't expect perm, but even a couple of weeks would be nice, it's a nice filter to let people claim they can perm ban, lets you spot the scammers lol

I'm also looking for such a service, have you found any?
