To do this we will use a new survey site called FiveSurveys. This site is better than the rest and pays 5 dollars for every 5 completed surveys.

[Sign Up Here](#)

FOLLOW BELOW STEPS WITH CARE:

1. The first survey will be easy, make your profile earning around 120k, male, white, 24 years old. working in IT, own house outright, no kids, 1 cat 1 dog.

2. ONCE THE FIRST SURVEY IS COMPLETED OPEN A BUNCH OF THEM IN MANY TABS. THIS IS BECAUSE ONCE YOU COMPLETE 2/3 SURVEYS THEY WILL HIDE LOTS OF SURVEYS SO OPEN MANY TO BYPASS THIS.

VERY IMPORTANT

3. Repeat over and over again, and money can be made easily. DO not make more than one account on the same IP address or your account will be banned

4. You can redeem to paypal or many different forms.

Hope you enjoy.

Always watch for security questions and dont go too fast or you will get detected and survey will not pay.
