After watching Outlander you will think that is the best Series of all time.

Once you have seen the entire Breaking Bad series, I'd suggest watching Better Call Saul and El Camino to have a better understanding.
You also planning on seeing the movie?

MishaOMBr - August 30, 2024, 7:56 am

Breaking Bad (and Better Call Saul) is excellent, but I personally prefer HBO's Game of Thrones and Rome (you are old if you remember Rome) over either of them.

Change my mind
I think Lost is better than Breaking Bad. But I admit Breaking Bad is a true masterpiece! I really enjoyed it!

Mercury - September 2, 2024, 7:36 am

I'd have to agree but I truly feel that The Sopranos is a damn close second.

EliotOfFociety - September 3, 2024, 9:01 am

Without any doubt....

illuminati? - September 4, 2024, 7:01 pm

Meh. It's not the best imho.

Bradega - September 10, 2024, 8:22 pm

100 procent agreed, another one good its el chapoo

Blockonome - September 12, 2024, 4:20 pm

It is a series that I can watch 2 times with no problem.

So yes, I do actually agree.

F4tDoinkz - September 12, 2024, 4:52 pm

While I will admit it is in my top 3, I probably wouldn't put it at the 1st spot. Maybe number 2. For number 1 Sons of Anarchy takes the cake.

Casp?r - September 13, 2024, 2:08 pm

Honestly, I agree, nothing else has really had me on the edge of my seat like breaking bad. such a well-written show. I tried to get in too Better call Saul shortly after, but it wasn't for me.

Hect0r - September 14, 2024, 6:23 am

Breaking Bad is very good but what do you think of Prision Break? In my opinion perhaps the most beautiful TV series I have ever seen. Maybe since season 4 he has lost a little bit but he always remains my best choice.

Capusa - September 16, 2024, 2:49 pm

fr is the best serie 4ever

Robchau - September 27, 2024, 2:00 pm

And they left the seres so open ended. It can spin off 12 different ways! I really hope the revisit it sooner then later. Walter can bet cancer!!

Regulus - September 27, 2024, 2:02 pm

I finished watching it yesterday, for the like 8 or 9th time now I believe.

I N C R E D I B L E - September 27, 2024, 2:11 pm

Errr. not really. it actually depends on the genre you like. For me, the Spin-Off - Better Call Saul is my favorite instead.

SoulZeh - September 27, 2024, 2:19 pm

Seen I can disagree also, I thought Prison Break was amazing, same with Sons of Anarchy was elite, I've watched SoA maybe about 5 times, start to finish, but don't get me wrong, Breaking Bad is awesome too, I've actually just finished it for the second time.

I genuinely think I may actually agree with you in terms of overall quality and storytelling. Absolutely a phenomenal series in every way especially when it comes to writing, casting, cinematography, and performances.

I will admit it's still not my personal favorite series, but objectively this may be true.

Anuta - *September 28, 2024, 5:31 am*

you're god damn right
