Thread: [What is the most listened to genre in your country?](#)

Portugals - August 30, 2024, 5:05 pm

In my country, pop is the most listened to, followed by rap ..

Ehhhhh, I'm more of a metal head, rapper enthusiast (preferably old school), and dance music lover.

Rammstein is phenomenal. I quite enjoy metallica.

I have a signed guitar by the guitarist of Metallica.

I assume you're talking about the younger generation. Or do older adults in your country, like the elderly, also prefer pop over, say, "folk music"?

In my country, older people tend to prefer "folk music" or "dance band"-style music.
