Thread: [Has Anyone Tried Star Wars Outlaws Yet?](#)

I really wanted this type of game to come to fruition. But Ubisoft is lackluster these days and I don't expect much. Reviews are pretty mixed. A lot of people just hate on Ubisoft just for hating them in general so a lot of reviews are pretty biased. Streamers were paid to review the game early so I think that is biased as well.

I am thinking of trying out a month of Ubisoft+ to try it but I want it to be worth it.

I haven't tried it.. I'm on the fence about even giving it a chance. The last few star wars games have been awful .

Yeah I am trying it today. I pulled the trigger just to try it out. My hopes are not very high.
