Welcome to SagaSMS.com - Your tool for sending SMS with multiple routes to chose from.

Our Telegram Channels are important, join them now:

@SagaSMScom ( <https://t.me/SagaSMScom> )

We do not use traditional username and password credentials, instead we use something called "Member Key" which acts as a long key to use, deposit and send SMS.

You have 6+ routes at your disposable, every destination (country) has 6 different routes that can be used. It's important to track CR (calls/clicks) to ensure you are on the best route for your content.

To begin, visit [SagaSMS.com/register](https://sagasm.com/register)

Note: A one-time €10 key fee will be added to your selected package for new Access/Member Key (except for the €10 plan).

Remember to stay on the page to receive the key, use a fast currency if in a hurry.

The Member Key is equal to username/password, keep it safe and secure.

Remember to read our FAQ, NO REFUNDS ON ALL PURCHASES FOREVER!

We do not offer refunds on SMS, deposits or payments at all.

Pricelist as of posting this on our cheapest options for each destination and route is as follows:
