Hi guys I'm going to be offering 5 membership slots to my Snapchat Ai chat bot.

Features:

Ai Chatting

Live Snaps

Browser Based (no server needed)

Automatic Funneling

Objection Poses

Advanced CTA method

Multi-phase Conversation Approach

No Bans

* Much More

(Multi account Management, Story Posting, and more coming Friday)

5/5 Slots available

First slot is \$3,000

Dm me if you have interest I'll also trade a slot for high quality traffic.

You should post a video of it working.

This thread is absolutely dogshit for wanting \$3000 off someone. Screams extremely low effort and reseller to me. Someone who took the time to code this would not make a sales thread like this.

I didn't code it. I'm also not reselling it my company owns the technology. I'm not a forum guy.

Definitely. \$3000 is not worth that what so ever. This will also not fool as many as you think.
