- The terms of service can be updated at any time without notice.
- All sales are final. You're paying for my time, knowledge, experience, and materials worth thousands of dollars alone. Refunds may be given on EXTREMELY SPECIAL OCCASSIONS which I must approve.
- If you don't have time to execute/setup the method and you ask for a refund saying "I don't have time for this", "I don't like your method", "This is too much work for me" or anything similar like that, you will NOT get a refund. You'll have to provide valid proof you tried all the methods and you still aren't able to earn anything to be able to request a refund.
- Opening a chargeback will result in a deal dispute and all access to the product and services will be void.
- Leaking will result in a deal dispute and your private information will be published in a public scammer database as well as voiding your access to the product and services.
- Any sales trashing will void your access to services
- Prices can be changed at any time so can the description and features of this offer. You get what you purchase at the time of payment.
- You will need to put in the work just like for any other real business/job. Even if I'm saving you tons of time with what I'm offering here you're still going to be the man behind the wheel. If you are not willing to put in the work then this isn't for you.
- As a vouch copy recipient you may not be entitled to all features provided, only a select few. My mentoring will be limited and the same goes for my support.
- Income Claims are projections based on the market and what has been achieved in it. Although possible, in no way are you guaranteed to make the exact amounts in the title or description.
- Sales trashing will void any warranty/support. Resolving any issues should be done in private and not in a sales thread.

- Lifetime means for the lifetime of this method and program.

Hey, I'm interested in your offer/method. Do you have any vouch copies? I'd be willing to give an honest review of your product.
