Thread: [Verified Bumble Accounts - \\$30 - ANY GEO](#)

**Driz** - September 10, 2024, 5:23 pm

Selling Verified Bumble Accounts verified by our models

- Profiles include fresh pics
- Verified in any geo, ready to funnel.
- Attached proxy
- AGED for 5 days or more. (Aging starts from day of creation so send me a message)

I can sell in bulk of close to 50 a day or more. We can also give you accounts with your own OF Model (we will need their verification poses)

Drop me a message and I will sort it out.

do you have discord bro?

I would like to see 90%+ for the profile completeness, particularly through verification for what you are asking via bulk because 65% on an account ain't gonna cut it. Good luck with your sales though and I will stay posted.

65% vs 90% does not make any viable different to Bumble backend - only things that matter are facial verification and age of the accounts, secondary to proxy, creation method, pictures etc. I've had 20 day old accounts do 300+ adds with 55% completion, didn't make a difference.
