_Payment received ! Thanks [7](#) <3

Artisan - September 24, 2024, 8:16 pm

For me, the GOAT is [Yanix](#)

Hes very active onsite and a really engaging person whos easy to talk to.

Dont know whether what I am saying here will inspire people or not but I notice that a lot of people believe that they can earn/make money without doing any work. Its a totally wrong mindset. The only way you can make money legally without doing anything is if you have enough money to begin with and then invest it in real estate that generates rent. Most other forms of passive income involving zero work involves illegal things. The mindset that you should nurture and sustain is: You will have to work to earn. So, figure out your strengths and monetize that.

Thanks to [7](#) for consistently hosting these awesome giveaways.
