Thread: [Giveaway || \\$100 LTC Raffle | QL4QL](#)

Confound - September 18, 2024, 8:41 am

Hi HF,

I am feeling generous, and have decided to offer a \$100 LTC Giveaway.

How to Enter:

Upgraded Members:

- QL the post
- Max Popularity
- Tag an upgraded user who hasn't participated in the contest, who hasn't been tagged already by another user, that has been active within the past 2 weeks.

End Date:

I'll likely run the giveaway for a month, meaning October 18th, but we'll see. I may decide to choose a winner before then, depending on how many entries there are.

Winner will be randomly selected from those who have quick loved the thread. I will record the auto generated win to show fairness, and post a video to the thread once the winner has been selected.

Feel free to post below with any questions!

And, if you post below, I will quick love your post as well.

Also, anyone who chooses to add this thread to their signature will get a second entry into the giveaway.

Cheers and good luck!

Giveaway is closed. A winner has been chosen. Thanks.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Didn't quite get to my goal of QL's, but nonetheless, I have selected a winner.

[SickNuzuki](#) - you are the winner of \$100 of LTC. Congrats!

Below is proof of the selection, I have added everyone's name's who QL'd, and I only rolled once, as you can see in the top right, results is only once. So you can rest comfortably knowing I did not game the system or anything of that nature.

Glad I am fortunate enough to be able to do something like this.

I plan on doing more giveaway style activities in the future.

Thanks everyone who participated.
