Hi lads, want to present you Oobit bonus, it requires no deposit and it takes 5 minutes to complete.

Proof: <https://imgur.com/a/SA4AvAR>

Some notes: You can use it as contactless payment, you cannot withdraw it. I bought few packs of smokes with it ?

Referral link: <https://get.oobit.app/O8J8L2>

After signing up, complete KYC (instant) open your profile and click on "Referral Status" enter my Referral code O8J8L2

And you will get 10 USDT to spend in store as contactless payment. Enjoy!

Sometimes email confirmation code might be delayed, keep trying resending and it will work eventually. I got mine like 10 mins later, it was expired - i clicked on resend and it sent that instantly.
