I know a method to make 5k a week I'm selling a max of 5 copies so it doesn't get saturated, I got proof of funds, I'm only giving away because I'm wanting to give back to community copies aren't cheap 1200 to the first 3 remaining 7 pay 2000 again will post proof of funds on forums private messages on forums only , only will deal on forums

Title says 6k a week, while you state 5k a week on the thread.  
And you're selling 5 copies maximum, but state that it's \$1.2k for the first 3, and then the remaining 7 will be paying \$2k? (Which is 10 in total)

I am confused

Whats the initial investment? Is it a "legal" method? Is it just any of the normal stuff people sell here e.g. ewhoring, buying/reselling, dropshipping, ebay/etsy/amazon, stocks/trading or any shit like that?

Also do you take MM for the full amount that you will only receive after I hit your promised \$5k a week? :)

The low post count and business rating plus the post being all over the place is very concerning. A couple vouch copies at least and I'd still be wary. Just my personal opinion

You're inactive for almost 2 years, come back and this is what you post? Why not post your proof in the actual sales thread instead of trying to get folks into your pms? Sketchy as fuckkkkkkk.

BE AWARE!!! IF YOU DO DEAL WITH OP USE A MIDDLEMAN AND A CONTRACT! NEVER GO FIRST!

Using a middleman in that case, and obviously contract.

I'll take a copy if you let a MM hold funds until the first week earnings pay out.

Willing to accept a trusted middle man and no it isn't any of the things you posted as example, also note this isn't auto pay even though once u set up you could consider auto pay but with minimal effort your don't just make money doing nothing money isn't free you have to work but they payout is paying me near 5k fluctuating up and down to the nearest thousands, initial investment would be your time and setting up method after that proceeds would come in, if you don't try you won't work method, method definitely took me longer to then a week to get to 5k but now I'm getting 3-4-5k a week easily now with proof of funds, middle man is accepted and 1 vouch copy available for lower rate not free.

Well i think your reason for wanting to "give back to community" is weird  
noone would risk losing \$6k a week just to give back to the community

If you give out any vouch copies i could take one and leave a review and test method to see if it actually works. I have reviewed and tested many methods here

Wether or not you think my reason is weird or not doesn't stop me from doing it for my reason lol, also I am not risking 6k a week you won't mess up my method that I've built up, I put real time into this and now I'm seeing my hard work turn into income, I'm teaching ppl how to do the same, middle man accepted, also have my proof of funds, that I'm still receiving to this day; also vouch copies available at a lower rate, middle man accepted.
