Thread: [Permanent Sales Tags](#)

Omniscient - September 30, 2024, 2:48 pm

Currently Sales Tags are only \$15 for 30 days.

Would members be more interested if I offered a \$30 permanent Sales Tag option?

For those who don't know what Sales Tags are.

Confound - September 30, 2024, 2:51 pm

I would pay for them, yes. Great idea. No brainer update in my humble opinion.

Eran - September 30, 2024, 2:52 pm

\$30 for a permanent sales tag is definitely a steal!

jcole - September 30, 2024, 2:59 pm

A \$30 permanent sales tag would be a great deal for anyone. I'm guessing with the purchase you can only choose your tag one time, and if you were wanting to use another tag you would have to repurchase it again. I think that would keep users from abusing the tags. Pick what you want the first time, pay for it, and keep it as it is.

Regulus - September 30, 2024, 3:00 pm

Not gonna lie, \$30 sounds way to cheap for a permanent spot haha.

EDIT: Found this from 2023:

A \$30 permanent sales tag would be huge for sellers in the marketplace. It's definitely a steal at that price!

DashPHP - September 30, 2024, 3:15 pm

100%. Great idea I think this will be well received.

Prawnster - September 30, 2024, 3:58 pm

I think its a great shout but also too cheap - Maybe like \$60 for lifetime?

30\$ is pretty reasonable - however, if we are able to rotate the tag every 30 days for example, paying 60\$ perm is a DEAL. :D

Don't care, don't know... Just a fast fly by.

Skorp - September 30, 2024, 5:06 pm

I was thinking more or less \$50 for a perm sales tag. \$30 seems a little too cheap. In the end it's supporting the forum which members should have no bother doing if they are using Hackforums as income and with the incoming server upgrade in the future.

Epic - September 30, 2024, 5:53 pm

I like the idea of permanent sales tags as an option. One thing that might be worth considering, if I look at it from a financial perspective, the permanent tag is less future/recurring sales of the 30 day tag from people who buy it on a regular basis. So personally I would lean towards making the permanent tag a little more expensive, maybe \$50 or \$60. The buyer would get his money's worth after about 4 months in that case.

Syndicate - October 1, 2024, 12:07 am

Like everyone else has said. A permanent sales tag would be fantastic. But I do see it as less revenue for the forum itself.

How often are the \$15 tags currently bought? If it's a low amount then I'd say do it.

Net - October 1, 2024, 12:50 am

I would probably buy it in an instant if it were permanent.

Didn't use it but sure it will be a good deal for those who buy it, thanx [Omniscient](#)

Could become an interesting feature for vendors or sellers looking to promote their thread.

Sholi - October 1, 2024, 8:25 am

Yes, this would be interesting.

Ombra - October 1, 2024, 11:34 am

I bought Sales Tags few times over the years but I didn't experience any significant traffic difference, that's why I did not renew them.

Anyway, if there was the option to buy them lifetime at \$30, I'd get some for my threads.

The only discussion point that I feel I can add is limiting permanent tags to 1 per member.

This can maybe push the Sales Tags market without killing it. Otherwise after a seller gets 3-4 of them for his top products, there would be no more recurring payments of that kind for the site.

V?rt - October 1, 2024, 8:08 pm

I'd 100% buy them. I think it could be a great idea. Just worried that it may make the marketplace look spammy

Syndicate - October 2, 2024, 8:22 am

I'm hoping this becomes a thing because I'd buy a few for my sale(s) threads myself. Just to give it a

little "pop" to it :D

Moookie - October 6, 2024, 5:07 am

I think \$30 permanent sales tag would be great, and would motivate more people to use them. Nice idea.

StuffSneak - October 25, 2024, 1:07 pm

Waiting for this to become available :)

Moookie - October 25, 2024, 1:13 pm

Any insight on whether you will still be going thru with this?

Pimping - October 25, 2024, 2:15 pm

I think \$30 permanent sales tags would be a great deal
hope you go forward with it

Neil - October 26, 2024, 6:22 am

Sounds like a fire deal, but imo \$50 is a more reasonable price if it's \$15 for a month

Maybe \$30 a year & \$50 lifetime?

StuffSneak - October 26, 2024, 7:43 am

I think not permanent but 30-40\$ for a year would make much more sense & fair.

Tbh I like this too. Reasonable.

MDE - October 26, 2024, 1:25 pm

I would absolutely buy sale tags at \$30 for permnant use.

Fantastic idea and I'm all for it, I'll take 2 :)

Agreed \$30/year is better and its still cheap enough to want to buy one
\$30 for permanent would actually be too cheap imo

Cooligan - October 26, 2024, 11:29 pm

Yes, I would absolutely be very interested in having this option.

I would definitely purchase a permanent sales tag for my MM thread. ?

StuffSneak - October 27, 2024, 12:03 am

yeah. Keeping it 30\$ for lifetime would flood every thread with one of these making all of them irrelevant.

Yeah now that I think about it, you're right. Many threads would then have them making them less sought-after possibly.

An annual price would definitely be a solid middle-ground for this.

Or perhaps even make it the same as V3ndor? A one-time \$50 - \$100 fee for permanent sales tag use. Then maybe something like \$10 per any extra tag you want after the initial purchase.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

30\$ for first 20 users

40\$ for the second lot

50\$ for the third lot

Maybe using a method like this to promote will be better.

If the price is kept at 30\$ then every sales thread will have a sales tag. People wont care about it.

Or maybe you get the 30\$ sales tag option only after you have 100 successful contracts, 0 disputes, 2500 Posts, 50 Threads.

100 contracts + V3ndor.

Mooooookie - November 27, 2024, 12:02 pm

Any updates on how whether this will happen? I would totally be interested in purchasing a couple. Even if not permanent, maybe 6 month.. or 1yr tags would be cool.

Good idea. People might buy more vendor to get to the sales tag.

This is a great idea to be honest. Definitely more sought after, would benefit HF and entice people to buy vendor.

Maybe 1 per person as well possibly

Spooky - January 30, 2025, 10:41 am

Maybe only allow vendors to purchase at this price. That way the barrier to enter is after an upgrade.

Also would if one were to buy this, would the sales tag be changeable after perm purchase?

Not a bad idea for Vendor only. But if you wanted to change the Tag, you just buy a new one again.

What if I buy 3 tags that are different and I want to alter each tag amongst the three threads. Would the option be you buy a sales tag. and its just stuck to your account and you choose which 1 thread it can be displayed on at a time? Or is it going to be per thread bound.

You are overthinking it. You buy a Sales Tag for a thread. It's for the thread you bought it for. You don't get to swap it out for different tags or move it between threads.

WTF!

B3A - January 31, 2025, 11:07 pm

I would prolly pay for it but I think everyone will and there will be just a flood

Tyr - February 1, 2025, 4:53 pm

I support this; yes.

Flan. - February 8, 2025, 3:12 pm

I think a \$30 permanent Sales Tag is too low and would flood the market. Instead, maybe offer: \$30 for 90 days, \$50 for 6 months, and \$75-\$100 for a permanent tag. This keeps Sales Tags valuable, prevents oversaturation, and gives users flexible options!

\$15 for 30 days (Keep this as is)

\$30 for 90 days (A longer, but still temporary option)
\$50 for 6 months (Good balance for long-term users)
\$75-\$100 for a permanent Sales Tag (Keeps it exclusive & valuable)

Meh, I prefer simple pricing structures. I might keep the current 30 days (\$15) and just offer a Permanent option for like \$50. Then maybe, an option to change the tag for \$20 or \$25 if that's requested.
