Thread: [Halloween Movie Marathon: what are your picks?](#)

Fish - October 1, 2024, 12:59 pm

October's here, and that means it's time for a solid Halloween movie marathon. What are your top picks? Do you go for the classics like Halloween or Hocus Pocus, or do you prefer the weird, lesser-known ones?

Drop your favorites below, and if you've got any hidden gems, share it here!

My go to movie is Halloween

My go to movie is Halloween

I just watch the AMC channel. They have halloween, scream, final destination, and some more classics.

I personally like the older movies but scream and it's latest movies are pretty good

Is there anything coming out soon? I heard in 2025 of October final destination 6 will come out.

It starts out where a cruise ship sinks. There's a trailer already out.

Fair enough, its halloween season so lots of movies are playing on regular TV. its always fun watching tv and seeing what is playing. Sometimes it's really hard to pick something to watch, but when something plays on TV its a lot easier to chose a movie.

Im not too sure of any new movies being released - at least halloween based. Horror wise there are quite a few I think

The only thing I can think about this year would be bettlejuice 2 that one came out last month.

I haven't heard of anything else for this year.

I haven't watched it. you can watch it online for free. However, I don't have time to watch movies.

My mom watches AMC and whatever is on there she watches. I would maybe sit with her and watch 30 minutes.

I personally don't have time.

However, from reviews online they said it's good. They said it's not the best but it's good for it being a 2nd installment of the movie.

They said it keeps the same vibe as the original but it's just now that the characters grew up. Now the daughter has her own daughter.

However, everyone I seen and heard that seen the movie in theaters said it's not a bad movie and it's a much watch if you have seen the first movie and love it.

Paramount Plus is supposed to have a dedicated section to halloween movies. I'm looking forward to watching Hubie Halloween, Terrifier series, and I was thinking about rewatching the leprechaun movies.

I'm just waiting for Terrifier 3 to hit the theaters or torrent :D

Shaun of the Dead

Ideal for adding some laughs to the zombie chaos.

Those are all awesome movies! I finally got around to watching the new beetlejuice 2 movie, it was definitely an interesting one. Anyone get around ti watching any of these movies yet?

For me... I have to watch...

All of the SAW franchise, all of the Final Destination franchise and then all of the Scream franchise. Then to finish it off I have to have a laugh and watch all the Scary Movie franchise.
