Thread: [What Was The Worst Thing You Ever Got While Trick-Or-Treating?](#)

DemonAsylum - October 1, 2024, 1:39 pm

So we all know the people that give out shit like pretzels, apples, stickers, basically anything other than what we wanted as kids.. CANDY. So tell me, what's the absolute worst thing you ever got from someone while trick-or-treating? For me, and mind you maybe this is partially due to my hatred for them as well as to this day, it was those little boxes of raisins. I'd get one of those fuckers and be fuming ?

Trust - October 1, 2024, 1:39 pm

I had a woman pass out brussels sprouts from a cauldron.

The worst thing I got was a pencil. It was pretty bad...

SuseGD - October 1, 2024, 3:07 pm

I once got a plastic bag/goodie bag with three things in it: An eraser, a pencil, and a pencil sharpener. I have absolutely no clue why someone would give something like this out on Halloween.

Is that the worst you've been given as well? Is so what fruit? I feel like apples are most common.

Prawnster - October 1, 2024, 5:47 pm

I think someone in our area was handing out "halloween" erasers.

Although, one of my close friends got given a bag of sweets with glass mixed into it like 10-12 years ago so that was pretty wild haha.

Both shit and unacceptable to give out on Halloween though.

I will die on the hill that the reese's which are shaped like pumpkins, bats, footballs, christmas trees, etc are just straight up better than the normal cups. They have more peanut butter filling and just hit different, idk what it is. I guess probably just the more peanut butter lol.

That is both worse and better. Better in the sense of all kids not getting handed them, but of course that would have gotten parents as well as maybe police on her ass like I said. Worse in the sense that YOU in particular were being given them since it just makes it so much more creepy and perverted ?

The Pact - October 17, 2024, 7:00 pm

My parents are Americans and I was born in the USA too, but haven't lived there since age 8. My birthday is in early November so I tried to have a trick or treat birthday party on Halloween the Saturday before my birthday.

In this country, adults whose doors we knocked on were saying things like, "That's alright for American children but NOT us!" Most people said they had nothing, and I think I got an apple, a pear and two hard candies and that's it. I wasn't pleased with the apple and pear. lol But the one woman who said the most nastily "It's alright for American kids but NOT here." We smeared a little soap on the outside of her window. We were only ten-year-old girls and doing that much was savage for us. lol
