Thread: [Are You Familiar With Mischief Night?](#)

**DemonAsylum** - October 1, 2024, 1:52 pm

So I can't even recall how or when I first learned about this as a kid, but basically it's the night before Halloween where kids, teenagers, and probably some adults too, go around and egg, TP, etc peoples houses. More than that surely occurs, but those are just some of the more common "pranks" that happened. Is this something you're familiar with? Did you ever take part in it or become the victim of others on one of these nights? I may or may not have been up to this kind of stuff a few Mischief Nights ?

Dude I'll tell you how you know about it. Rocket Power. The show on Nickelodeon.

I know about it but never did anything, nor do I know anyone that did anything.

Bro that lowkey is probably it LOL. I thought to myself that I probably found about about it originally from a Nick show or something, but couldn't make any connection in my head. Rocket Power was the shit and now that you mention it I absolutely remember it from there ?

Man, I remember in school the teacher said we could change our names to whatever we wanted. I said Otto Rocket.

Yeah, I know exactly what you're talking about. I never actually did it though, and neither did any of my friends (or so I believe).

Glad you're at least familiar with it. Sometimes I never know how common random shit like this is haha.

I have never heard of this tbh. I mean, I have heard of those pranks; however, I didn't know there was a night dedicated to actually doing them.

Yeah I would assume it's more of a known or commonly done thing in certain places versus others, but I thought it was generally known by many at least. Tbf it may be something more from my generation or the one prior that kind of carried over. Idk haha.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,  
Stanley
