hello! i am brand new to HF and i was pretty much forced by my bf (Purgatory).

we are currently living together in a homeless shelter where everyone is pretty chill and easy to get along with.

i got a job at a fast food chain recently but haven't been out in the schedule just yet. we have been doordashing together for income.

when me and Purgatory first met in person he told me about HF and have been curious ever since. i been wanting to get on for a while but haven't been procrastinating.

please be nice to me ?
