its alright! i like target a lot but its extremely expensive and easy to spend a good amount of money. i planned to get a bunch of bathroom and kitchen stuff for a future apartment there, but all the stuff i wanted racked up to \$400 some...

i haven't been to a cosco either, have you been to a sam's club? i heard it is about the same.

No I have never been to one :P I don't live in the americas and I believe I'm not allowed to enter at all anymore or at least for some a lot of years haha

I've just seen the inside from pranks or whatever people do in grocery stores now a days

Lil Buddy - October 2, 2024, 1:17 pm

any place you can purchase stuff in, retail wise, i would count at a store. so yes! why do you like amazon and ebay so much?

I like Amazon because it offers a wide variety of products, fast shipping, and a user-friendly interface. I appreciate eBay for its vast selection of items, including unique and hard-to-find products, as well as the ability to buy things at competitive prices.

good point! i love amazon, too. if you ever need to find a specific item, go on there or ebay.

sharn - October 3, 2024, 12:53 pm

I like shopping at Target - great deals.

Charlie Sheen - October 3, 2024, 4:33 pm

There's a store called the Man Cave, and I love going there. All kinds of sports stuff. I also like Ollies, it's a store that buys out liquidated products. You find the wildest things there so cheap.

Mooooookie - October 4, 2024, 4:07 am

Currently Amazon is my favorite store to go shopping at. It's convenient, and they have a great return policy, especially when you have Prime.

Michael - October 4, 2024, 4:18 am

Not really have a favorite.

How about you [mention=420] ?

Michael - October 4, 2024, 4:34 am

(Oct 4, 2024 04:32 AM)Sox Wrote: [\[CITE\]](#) I actually kind of enjoy shopping in warehouse stores.

Costco used to be my jam, but BJ's wholesale club is closer.

And getting the best deals?

Michael - October 4, 2024, 4:37 am

(Oct 4, 2024 04:36 AM)Sox Wrote: [\[CITE\]](#) I think that is a factor too.

Costco prices went up too much for my liking.

Can't really compare, but I heard you can still get some good deals over there?

Michael - October 4, 2024, 4:39 am

(Oct 4, 2024 04:38 AM)Sox Wrote: [\[CITE\]](#) Yeah, they always have good deals on something.

Normal everyday things I find cheaper at BJ's lately.
Don't know the other store though.
They also have quality items?

Michael - October 4, 2024, 4:42 am

(Oct 4, 2024 04:41 AM)Sox Wrote: [\[CITE\]](#) Costco and BJ's wholesale club are essentially the same thing, but different owners.
It's all about the money though.
Just look out for the best deals haha.

Michael - October 4, 2024, 4:45 am

(Oct 4, 2024 04:44 AM)Sox Wrote: [\[CITE\]](#) That's exactly it.

Wherever those deals are, I shall be there.
Also exciting for Black Friday that's coming up.

Michael - October 4, 2024, 4:47 am

(Oct 4, 2024 04:46 AM)Sox Wrote: [\[CITE\]](#) I end up doing my shopping online for the Black Friday deals.

I dun wanna get trampled.
Is that still a thing?
Like those videos we saw before.
Haven't seen any of those the last few years though.

Michael - October 4, 2024, 4:49 am

(Oct 4, 2024 04:48 AM)Sox Wrote: [\[CITE\]](#) Very, very real.

I had a buddy get really badly injured from a Black Friday store sale a few years back.
Damn, all that for a discounted TV.
And you're not even too sure about the discount you're getting lol.

Better do it online then haha.

It's actually done deliberately. They have scents installed in the vents. It's to make you feel like it's clean.

The candy isle they have those vents with scented oils that smell like candy and vanilla. It's to trigger you and make you
want to buy some candy because of thee smell.

Prawnster - October 5, 2024, 7:22 pm

Tbf I do most "shopping" online - Other than that I do love goin to Tescos hahaha.

Got so much food there its great, or maybe Waitrose if I'm feeling like a Tory lmfao

Cap - October 5, 2024, 10:01 pm

I'm a Home Depot kind of guy. I could spend all day in there, dump a boatload of money on various tools and other house items that I'll probably never use or need.

Jinu - October 6, 2024, 12:36 am

My favorite store is a die-cast car store! I love collecting models from brands like Hot Wheels, Majorette, and Tomica. It's always exciting to discover new additions for my collection. What about you? What's your favorite store?

Portugals - October 6, 2024, 4:49 am

Türkiye for Beymen best

Yin Yang - October 6, 2024, 4:55 am

I would say Amazon as that is where I do most of my shopping. It is very convenient and they have an amazing return policy!

F4tDoinkz - October 19, 2024, 5:37 pm

Basically no where at this point. I mean I mostly shop at Walmart for things but even there I find myself not being able to find things I need. Seems like brick and mortar stores are becoming a thing of the past. Everything is online. Amazon is so terrible now too.

Amazons return policy is definitely one of the best. It is nice to know you can return things so easily if needed.

Do you end up making a lot of returns?

Chrome - October 20, 2024, 2:15 am

I love me some JB-HI-Fi.

plops - October 20, 2024, 6:17 am

There is a korean super market called Hmart. It is my absolute favorite. They have food courts with korean restraunts that are always so damn good!

No, I don't really make any returns. I order as many things as I can off of Amazon and out of the entire year I probably only average like 5ish returns. Most of the things I buy are things I genuinely need or know I will use which prevent having to make returns in the first place.

I have a lot of great stories, I spent 7 years in that industry.

Epic - October 20, 2024, 12:15 pm

Hmm, probably in order of most favorite to least favorite: Grocery Store, Walmart, Hardware Store, and Amazon. I usually shop for household goods and food, rarely go shopping for "pleasure".

honeyslife - October 21, 2024, 9:53 am
