Thread: [Do you sneak Snacks at the Movie Theater?](#)

oRequiem - October 2, 2024, 2:02 pm

I haven't been to the Movie Theater in a very long time, but my family and I would always sneak candy in.

It's ironic since there was a candy store walking distance from the Movie Theater ?

No. They are overpriced for sure, but I go to a ton of movies (have seen over 300 in theaters) and like to support them.

Since I go to so many, I'm bored of the snacks, though and usually just don't get anything.

I get that, 300 movies???

That's a bit wild honestly.

But I just can't with how overpriced it is. I only snuck in candy really, not popcorn or anything like that.

I used too but after a fire broke out when I was in my local theater in 2018 I never went back then covid happened so I guess I am just a bit nervous still.

My candy of choice was Butterfinger haha yet now I am disgusted by them.

Not a bad choice and yeah, I get nervous from theaters as well.

Doesn't help that I'm agoraphobic at the max level lol.

I usually snuck in milk duds and some other candy that I can't remember.

Nachos are always so good, I usually avoided drinks (had it once) since I wouldn't wanna go to the bathroom in the middle of the movie.

I was lucky that I didn't have to go to the bathroom in the middle of movies, but I just have that fear lol.

Yes, otherwise you don't feel like you're in the cinema. But there were times when I didn't eat anything.

Yeah, same here. Most of the time, it was just candy though.

Most of the time for me it was popcorns.

SuseGD - October 2, 2024, 6:39 pm

Whenever I go to a movie, I don't usually buy popcorn, food, drinks, or any other snacks. I just go there for the movie itself, and try to enjoy it to the fullest that I can.

Charlie Sheen - October 3, 2024, 5:16 pm

I've snuck beer in there. We used to sneak a bunch in and sit in the back and crack them open during the loud parts.

jcole - October 3, 2024, 5:21 pm

Who doesn't sneak snacks into the cinema? Ain't nobody got money like that to pay those crazy prices.

Mooooookie - October 4, 2024, 3:41 am

Although I haven't been to the movie theater in some time, the last time we did go I do remember stopping at CVS before going to the theater to pick up some candy and drinks, slipped them in her purse and off to the movies we went. The prices are ridiculously high. The only time I will buy candy from the movies, is if they sell the loose candy that you have to dispense from the machine.

There's no nachos or slushies at the cinemas where I live wtf? The only thing worth getting here is ice-cream which is always dipped in chocolate at the cinema.
