Thread: [RuneScape Players, What Was Your First 99?](#)

DemonAsylum - October 2, 2024, 3:49 pm

It doesn't matter if we're talking RuneScape Classic, "RuneScape 2" AKA Old School RuneScape back in it's OG days, "RuneScape 3" which is essentially the newer version of RuneScape now, or Old School RuneScape that returned in 2013 and we still have to this day as well.

What was your first skill to 99 on any or all of these games? I didn't play RuneScape classic anywhere near enough to get a 99. My first 99 back in the OG days of OSRS was Fishing or Woodcutting I believe, really wish I could remember. My first 99 on OSRS after it returned in 2013 was HP. As for the newer version of RuneScape that is out, fuck no lol.

DashPHP - October 2, 2024, 3:50 pm

Cooking!!

I was bloody proud of that. xd

Kaleb - October 2, 2024, 3:54 pm

I honestly can't remember but it was likely either hitpoints or attack.. maybe ranged. Definitely one of those three.

Charlie Sheen - October 2, 2024, 4:25 pm

Fishing was my first 99. Then I think next up was strength.

Mr_Kh4os - October 2, 2024, 5:57 pm

It was woodcutting then I went to pick flax/string/bow them until 99 fletch idk what was wrong with me.

Nothing like the feeling of that first 99!

You were more of a PvMer than you were a skiller I take it then?

Even if fishing wasn't my first 99 and rather it was woodcutting, I was still grinding fishing a ton and got it probably not too much later on. Spent so much time on those 2 skills alone lol.

Most of us have been there man. I remember picking flax for hours on end all too well ?

Michael - October 3, 2024, 3:45 am

Played it a little but never reached 99, was feeling blind and lost in the game, only was chobbing trees there

Mr_Kh4os - October 3, 2024, 7:27 am

Lol I feel like people either played Maplestory or Runescape and man Maplestory was trash I couldn't see what they liked in it. Especially when RS2 came out sheesh.

Purgatory - October 3, 2024, 8:01 am

Yeah, woodcutting or firemaking was or were my first 2 first 99s

Secrets - October 3, 2024, 8:06 am

A little bragging post but when OSRS came out, I was first to achieve 99 Magic. That was cool but also one of the EASIEST 99 to achieve.

This is actually crazy to be honest.

My first was cooking on RS3 back when it was RS2. Didn't get another 99 until old school came around and my first on old school was farming.

Strength in 2010ish, OSRS my first was defense because of afking

It's not for everyone of course. Something as basic as chopping trees on the game is actually so nostalgic for many of us OG players haha.

I too remember a Maplestory being really popular back then. My friends and I all mainly played RuneScape, but then there would be those other kids that say it's trash or not as good as Maplestory while trying to get us to make the switch.

Gotta love how fast getting the latter up is or if you have the resources on the ready anyway. Woodcutting on the other hand is a nice little grind lol.

Brag it up my man, that's awesome. Congrats!

I have found that the majority of people who have had 99s in both had a different first 99 in OSRS versus OG. I guess that's not very crazy of a thought, but it just goes to show how different we all played out the gate the second time around. To be expected though I suppose due to the experience and knowledge we then had.

idkhowtocrack2k15 - March 24, 2025, 4:12 pm

First 99 skill that I didn't bot and did 100% on my own was woodcutting before Oldschool rs came out and before Eoc with the branches that were afk on the walls

Sam - March 24, 2025, 4:17 pm

If we are talking about the 2007 version if I remember correctly it was fishing and then shortly after woodcutting. I played the game just to afk woodcut and fish to sell gold.

float on - March 25, 2025, 6:22 am

Fletching! Catherby was my bankstanding place.

Pimping - March 25, 2025, 6:27 am

I think strength was my first 99

have not played runescape in a while might hop back on my old account

Seductable - March 26, 2025, 1:24 am

Cooking on two different accounts - 'RS3' before it was that and then on OSRS, hahaha. Don't know why. Just loved the fact that making wines and 1t cooking karambwans required high APM

LK 1ER - March 26, 2025, 4:04 am

made wine for days getting cooking 99 lol

Beherit - March 26, 2025, 1:35 pm

I think it was cooking - all that wine created, amen.

Jimmie - March 28, 2025, 4:57 am

I played rs since 2002 but I didn't get my first 99 until rs2 99 range I did it all in f2p at fire giants with steel arrows.

Zully - April 6, 2025, 2:46 am

couper du bois ou faire du feu la galere

McClubbin - April 29, 2025, 7:32 am

Maxed strength as the first up, was intrigued to get maximum hits as high as possible and Soul Wars really made it simpler from about level 94 on.

WittyG - May 2, 2025, 7:39 am

played the actual rsc before there was even osrs or rs2(3) and the first 99 i acquired was mining and then smithing. i loved the grind more than anything. after those came crafting, fishing, and cooking to 99.
