Thread: [Will you be going for the 24k star?](#)

Deany - October 3, 2024, 10:06 am

It seems to be one of the hardest to get, will you be pursuing it?

No way. I would have to post 10 times a day for the whole 7-8 years. On the other hand, that's not really a big problem if you love a forum, a community, but the only problem here is that the number of posted posts and active discussion contributions is low, even though online activity is higher.

The 24k award will happen one day or another.. Unless HF goes down for a permanent nap.
Actively and always working on that award :D

How long did it take you get to 24K? Just noticed you're in the 30s , very nice.

Got it a good while ago.

Reason it says that is was granted May 29 2024 to me is because something happened that day (Not going into what since it's not relevant)

Got it re-granted May 29.

But received it first in like 2016-2017 I believe.

Charlie Sheen - October 3, 2024, 4:59 pm

Someday. Just need 30 more Octoberfests.

It helps that you post twenty times in the daily check-in thread. ?

He is. I've only just noticed.

For the longest time, it was <https://hackforums.net/member.php?action=profile&uid=651773> Vitani's Mate

I'd like to get the 24k star, but I'll probably realistically get my 10 year badge sooner than that.

Cap - October 3, 2024, 8:20 pm

One of the hardest awards to get. I would love to achieve that someday. Takes a lot of time and dedication.

Kaleb - October 3, 2024, 8:27 pm

Certainly not intentionally. If it somehow happens which I doubt it will then, cheers to me I guess.

I'll eventually get it. 24k posts is like doing octoberfest 40 times. I got octoberfest in one day. So just gotta do that straight for a bit over a month and I'm set!

BUT WAIT - I'm already half way there so I just need to do it for about half a month and we're set!

12k ain't nothing you got this in the bag

V?rt - October 3, 2024, 9:56 pm

I'll get it eventually. I'm unfortunately not as active as I should be so it might a while before I get it. October will help me make some pretty good progress towards it though. :)

Snowwy - October 3, 2024, 10:07 pm

It is definitely on my list. Eventually.

Mooooookie - October 4, 2024, 2:45 am

24,000 posts is a lot of damn posts. Will I ever achieve it? Maybe one day, not something I'm holding my breath on. Don't believe I'm active enough to get it anytime soon.. but I suppose if the site is still around a decade from now, and I'm still posting, then sure.. I guess it's possible.
