Thread: [Escape from Tarkov \(EFT\) High Level/Hour EOD/TUE Accounts](#)

Dex - October 3, 2024, 10:17 pm

Hi, I can procure & already sell multiple editions and leveled Tarkov accounts. All accounts will come with the original email account (no phone # attached or backup email) so you can fully own it. They're all either fresh or hand-leveled without any cheats (bought off players that level accounts for streamers). This info is accurate currently to 15.0

Stock:

1 - EOD + TUE, Level 68, Kappa, Gold Achievements (High Comp, Highway, Key to Salvation, Kappa Path, Firefly), 1k raids, 6.8 k/d, 900 hours
1 - EOD, Level 1, 2600 hours
1 - EOD, ALPHA Account + Armband, 1400 hours

1 - EOD (RU), Level 26, 6.4 k/d, 28 hours
1 - EOD (RU), Level 1, fresh account

2 - Fresh EOD (RU) codes, can be redeemed on any email (extremely rare)

PM me here I only deal on HF to discuss or request screenshots (serious buyers). If you need me to procure a specific type of account (high hours, edition, region, etc) contact me and we'll discuss.
