Thread: [Is this your first time participating in OctoberFest?](#)

Moookie - October 6, 2024, 5:11 am

Not sure about other members, but this is my first time participating in OctoberFest.. as you can see I have no pumpkin awards anywhere on my account. I can't lie, it's nice to see all the extra activity on the forum.. it would be truly nice if the forum was busy like this every month.. and not just during the month of October.

Is this anyone else's first month participating in the festivities? And if not, how many other years did you participate, and did you manage to get the award every year since participating?

Yin Yang - October 6, 2024, 5:12 am

I've participated in them all. I think it would be better to keep it going throughout the month; rather than people grinding for 2 days and disappearing

Bastille - October 6, 2024, 5:14 am

4th time ! I love Halloween, it's my favorite celebration I must have this award, I'll do my best to get it ! I'll start my 5th row of awards soon I guess

The Pact - October 6, 2024, 5:24 am

I think I've got all but one of them? I guess I missed the purple one?

Yanix - October 6, 2024, 5:33 am

I am always up for this challenge every year and hoping I might be able to snag this green pumpkin on or before the end of the month.

Deany - October 6, 2024, 6:15 am

Nope , got all of them so far.

Epic - October 6, 2024, 6:40 am

Yep! It's my first time. I've made decent progress so far, hoping to get both the pumpkin and the lounge head award.

Aeowulf - October 6, 2024, 6:50 am

Year number 4, going for my 4th pumpkin. Hoping to keep it rolling...

Congrats on having the previous 3, you'll be one of the rare few who have all 4 at the end of the month!

Good luck on securing both this month, man!

Thanks man! Good luck to you too. Doing them both at the same time definitely seems to smooth out the process.

Epic - October 6, 2024, 11:08 am

(Oct 6, 2024 11:04 AM)Sox Wrote: [\[CITE\]](#) With all the new threads, it is certainly doable to go for both now.

Yup. I've got more progress for octoberfest than I do for lounge head. But that makes sense because lounge head is only for lounge, and I've been posting elsewhere of course. Still ahead on both for it only being 6 days into the month.

If you had joined a month earlier you could of got last years award! I didn't participate unfortunately because I was so focused on work.

Looks like that makes two of us. Yeah, active is an understatement.. forum is super busy at the moment, and I like it. This is how it should be on a daily basis.

Looks like you came back at the right time.. while the building is nice and active, and people are posting until their fingers can't type anymore. You participating in the OctoberFest now that you're back?

The right time indeed. And yep, I am doing octoberfest, about 40% of the way there!

SuseGD - October 6, 2024, 3:22 pm

Yeah, this is my first-ever time participating in OctoberFest, and I have to say, I'm really enjoying it. The community is extremely active, and overall, it's just a great time.

Confound - October 6, 2024, 3:31 pm

I think this a really good idea for bringing up the activity on the forum. Would be cool if Omni came up with a monthly award, for the user with the most HQ posts and threads each month. This would motivate users to want to participate more.

Don't worry my man, you got it.. we're only 7 days in, still got plenty of time to get those threads and post replies in. I still got a long ways to go myself. I've been looking forward to this, as I always used to hear about other members talking about.

Jake Johnson - October 19, 2024, 1:45 pm

This is my first time going for the award. I started late so the activity seems to have died down from even about a week or so ago when I started. Finally made it past 50% so I am making good progress.
