Mr_Kh4os - October 6, 2024, 6:05 am

Just waiting on confirmations now then we are lifetime Ub3r boys ?.

Unfortunate I upgraded to Ub3r less than a week ago I didn't know a sale was coming haha but we still made lifetime when the chance came!

Anyone else take advantage of this sale?

Jamika - October 6, 2024, 6:05 am

Thanks mate, I am soon to join you on Loungehead and Ninja!

Bastille - October 6, 2024, 6:07 am

Yeaaaaaah, congrats buddy !

Don't blame yourself, the perma upgrades are randomly available, I think it happened to me too I got my Ub3r and then a month or two after Omni made perma upgrade available for few days, but no regrets, the perma upgrade definitely worth it !

Money- - October 6, 2024, 6:12 am

Thinking back , the perm uber approval by omi was much more satisfying and thrilling huh. I see some people get rejected forever though like that sucks honestly.

N - October 6, 2024, 6:12 am

Congrats welcome to the perm blue side

Death - October 6, 2024, 6:14 am

Nice one. Congrats! Maybe one day i'll become an Uber.

Deany - October 6, 2024, 6:15 am

Gratz on getting the perm ub3r homie

Mr_Kh4os - October 6, 2024, 6:15 am

Thanks all, it's definitely worth I plan on being here a long time and \$50 isn't bad for lifetime in comparison to \$40/year.

sharn - October 6, 2024, 6:29 am

Nice, welcome to ub3r lifetime!

Timing might not have been perfect, but you still secured a great deal in the end.

Aeowulf - October 6, 2024, 6:57 am

Congrats! It is well worth it IMO. HF was not the same before the upgrade, and wouldn't be without it.

Regulus - October 6, 2024, 6:59 am

Congratulations, great investment if you're planning on sticking around.
Welcome to the blue side :=)

account_ - October 6, 2024, 7:00 am

Congrats on the upgrade OP.

Epic - October 6, 2024, 7:03 am

Congrats dude! I bought leet about a week ago, and planned on waiting for the permanent uber upgrade to show up.... a few days later, there is was, lol. I upgraded the second I saw the post about it! Definitely the time to get it if anyone is still regular or leet and wants to upgrade.

Agreed 100%!

Now I never have to worry again XD.

jcole - October 6, 2024, 7:39 am

Congrats on the purchase! It is definitely worth it.

SuseGD - October 6, 2024, 3:27 pm

Congratulations on permanent Ub3r! I've been considering upgrading sometime as well, but I don't feel like now is the right time for me.

Confound - October 6, 2024, 3:31 pm

Getting permanent ub3r is definitely worth it. I remember the times you had to get approved, crazy.

Yin Yang - October 6, 2024, 3:33 pm

Purgatory - October 6, 2024, 3:37 pm

Do you think people that got denied prior got through now haha or is there a blacklist?

Omni rejected my requests for Uber at least 4-5 times. I was in his DM's going why the fuck?!??. Back when it was actually a big deal. Now it's just nice to have and you get some handy perk/access to areas of the site.

I was denied a few times back in the day. There may be a blacklist but it just meant that you weren't performing at that level on the forums or your posts were too low

Good question- probably a case by case basis, and I'm sure a handful are perm denied, yeah.

I think most if not all people get approved for UB3R these days

Cap - October 6, 2024, 7:06 pm

Congrats on that. Definitely a great thing to do in terms of giving you extra features along with supporting the site.

Chrome - October 6, 2024, 7:16 pm

Once the sale ends, because I won't have the posts or popularity points before tomorrow, is permanent Uber still available at a higher price?

Nice to see more blue around.

I know it helps support the site and I'm all for it. There are good apples and bad apples at times, but usually the users who show their ass end up closed.

Jinu - October 6, 2024, 7:50 pm

Congratulations, buddy! You have chosen it on the correct timing. It is worth an upgrade.

Something I'll be taking a look at myself.

I would say probably lower than the older members who have been closed.

More pumpkin hunting for you after work today?

I think so! I've made such great progress through the weekend. I'd like to keep the streak going

I'd like to go ahead and finish the award by the end of the week! Would be OK if I had to post for it this upcoming weekend too.

I don't believe so just L33t becomes perm available. So Monday/today was the last day I think.

The Pact - October 11, 2024, 1:05 am

No because I bought it 12 years ago when it was like \$30 or some shit. hahaha Congrats!

Haha I was going to say when I first was lurking HF I swear it was perm but that was so many years ago.

Thank you! Sheesh 12 years I feel like I am just a crumb of your timeline xD.

Mooooookie - October 11, 2024, 9:56 pm

If you're planning to stay here for a long time, it is better to buy perm. Advantages outweighs the rest.

The Pact - October 15, 2024, 1:26 am

It's a good thing that you can buy lifetime Uber now. How much is it anyway?
