Who's excited for the NHL games?

With the season in full swing, I can't wait to see how our favorite teams perform!

Which matchups are you most looking forward to and who do you think will take home the championship this year?

What platform do you use to watch NHL?

Is the most popular one ESPN or something?

Yeah there's tons of those, easy to find.

Thought I could earn a buck or two now when NHL Season is starting, but not sure what platform to crack accounts on.

ESPN+ seems to stream it.

Are you referring with the Utah Jazz my bro? If so, I guess if Clarkson and Markkanen can find that chemistry and synergy on the court, it could definitely elevate the Jazz's performance. Their skills complement each other well and if they both play to their strengths, it could lead to some exciting games this season.
