That one aint bad either. Good card to make money too. I made a lot from that event.

I'm bored, so I just threw 40 bytes at Royval, since you mentioned it.

I have no clue either way tbh.

Not sure if I'll bet on more than that main event tomorrow.

Will come back and post by bet before main card.

5 rounder , and more experienced etc. His odds is much more bigger now. But yea I only sprinkled some on him for fun.
