Thread: [Searches on | Intelx.io - Snusbase - Leakcheck | \[Vouches Available\]](#)

gwiz - October 10, 2024, 11:22 am

Offering searches on Intelx.io | Snusbase and Leakcheck results free with purchase

\$2/1k bytes per IX search entry data

\$4/2k bytes per IX system ID download

Bulk purchases start at \$40 for 10 entries + 10 downloads | Contact me to negotiate specific deals

DM me your Discord ID/Username to proceed

Rules:

Not getting information on HF members

Abide by Intelx ToS

How to get system ID:

Type in you search entry on Intelx.io to view a list of documents containing the information you want (these are censored on there, but not with my service)

Click on the document you want

Then click "Metadata" and at the bottom left click "Show Expert Information"

You can now see the system ID, copy that and send it to me after purchasing

Offering a free trial search for 2-3 very reputable members.

* You will search an email on Intelx.io, then give me the email so I can search it, then I will give an uncensored log of what comes up, which will match everything on Intelx.io.
