Thread: [? INSTANT ? INSTAGRAM & FACEBOOK UNBANS ? CHEAPEST ON-SITE ? 100% GUARANTEED! ?](#)

Moookie - October 12, 2024, 3:24 pm

WARNING: Don't allow yourself to get SCAMMED by new sellers, and sellers that were previously kicked off the site for scamming. I have been receiving an increased amount of messages from potential buyers informing me that they have been scammed by "new" service providers on the forum when trying to purchase Social Media Services. Many of them are the same user with multiple accounts, that attempt to lure buyers off-site to Telegram, with promises of cheap service prices, and in return walk away with buyers money. Once your money is gone, you're not getting it back. I'm not saying that you have to purchase from me, but I would ask that you please do your due diligence before spending money with individuals that lack credibility. Don't let trying to save money, lead you to losing your money all together!

INSTANT
INSTAGRAM ? FACEBOOK
UNBAN SERVICE

ACCEPTING ALL CASES... APPEALED AND NON-APPEALED.

"Permanently Disabled" .. "Stuck in Review?" ..? NO PROBLEM!

We can restore your account even if it is Stuck in Review/Permanently Disabled - GUARANTEED!

WE CAN, AND WILL BEAT ANY COMPETITORS PRICE. GUARANTEED.

As the thread title says, I can unban almost any Instagram and/or Facebook account instantly with a 100% GUARANTEE. Even if the account is "Permanently Disabled". The only ban type that I cannot restore, is Cyber Security, Fraud, and accounts with DNR Notes.

Unban submissions are done Monday - Friday(we're now recovering accounts even on the weekend!). The price for each account unban will vary, depending on a variety of factors. If you would like a quote, feel free to send the case to my PM and I will return a quote within 24 - 72 hours, depending if it's the weekend or not. In most cases, I will return a quote within 24 hours.

This service is 100% GUARANTEED. The unbans are done instantly, and don't require 7-14 days like most services that unban accounts.

I only provide Instant Unbans, and refuse to waste buyers time with Submission Unbans. What's the difference between the two? Difference is the Success Rate, and the length of time it takes for you to get your account back.

With an Instant Unban, you're 100% GUARANTEED to get your account back and the amount of time for service is approx 24-72 hours(typically completed within 36 hours, sometimes as quick as 1 hour!). On the other hand, Submission Unbans take 7-14 days to process, and have an extremely low Success Rate.

Rather than waste buyers time, I don't provide Submission Unbans.. as no one wants to wait around 14 days, with their money being tied up in a deal, just to find out that their account didn't get unbanned. There are plenty of horror stories of users thinking they're saving money by going with a Submission Unban.. just for 2 weeks later, to find out their account didn't get unbanned. We don't do that here, if you come to me to unban your account.. you're getting your account back 100% GUARANTEED.

Have an account you would like unbanned? Shoot me a PM, let's get that Instagram Account/ Facebook Account back for you today!

Why Choose My Service Over Somewhere Else?

No need to have someone holding your money for 2 weeks, wasting your time.. just to find out your account isn't getting unbanned. I will have your account unbanned within 24-72 hours.. and the unban is GUARANTEED.

My prices are typically 30-50% cheaper than most competition.

Most services that unban accounts take 7-14 days to attempt to recover an account.. and their success rate is extremely low. Ask around, many buyers have attempted to purchase from these "alternative" sources.. just to have their time wasted. My service is INSTANT, and we typically can get the job complete within 24-72 hours from the start of contract.(timezones and weekends can make the time fluctuate)

My service is GUARANTEED. Most services that offer Instagram restoration, are submitting forms and hoping that it gets approved by a Senior Rep, this is why they can't 100% guarantee that the account will be recovered. I'm working directly with the Senior Rep that will be restoring the account, there are no forms being submitted here.. just 100% account restoration GUARANTEED.

Instagram Restoration heavily revolves around the reason the account was banned, aka the ban reason. The more severe the ban reason, the more the recovery will cost. Many places that claim to recover accounts, are limited in the ban reasons they can recover.. and they can't recover Permanently Disabled accounts. I can recover 99% of ban reasons, I can recover accounts even if they have been Permanently Disabled, I can recover accounts extremely fast, and I can do it for CHEAPER than my competition. That's just the facts. Did I mention that my service is GUARANTEED? ?

WE CAN, AND WILL BEAT ANY COMPETITORS PRICE. GUARANTEED.

(just send a screenshot of a competitors price, and we will BEAT it - GUARANTEED!)

(Apr 19, 2026 09:00 PM)mukahantu Wrote: [\[CITE\]](#) It is a pleasure to provide this testimony for Moookie.

As you may see this is the first contract on HF and I'm still in awe.

From the start, he demonstrated a level of professional integrity that is increasingly rare. Not only was the work delivered to an exceptional standard (the targeted account has more than 200k followers), but it was also completed within timeframe.

I encountered few impostors claiming "to work with him @ him working with them" (which is a total bullsh*t).

That's when I know every other competitors are trying hard to associate themselves with him & that alone tells me he's the actual GOAT.

So for those still looking, this is the guy you should look for.

What truly sets him apart is his transparency.

He provided consistent updates during transfer and managed expectations realistically. I didn't even need an MM (do so at your own discretion).

I give Moookie my highest recommendation for anyone seeking for similar service.

He has earned my full confidence, and I look forward to our next collaboration.

Moookie really worked day and night, almost literally. He went the extra mile for me in every way. He was always super informative and even after the task was completed he still continued to guide and help me.

Many times I was about to give up, but he NEVER gave up. And every time something new was tried, he was open about it being my own choice whether we should continue, or I could always get my money back.

DO NOT APPEAL YOUR SUSPENSION FOR CHEAPEST RATES OF RESTORATION.

Be Aware of Sellers Trying To Lure You Off-Site: Don't allow any Seller to lure you off-site to conduct a deal. All deals should be conducted on-site, to avoid chat manipulation and scams. If you want to use a MiddleMan, and a Seller refuses to use a MiddleMan.. DO NOT CONDUCT THE DEAL. There has been evidence of "Reputable Sellers" luring buyers off-site, and refusing to use a MiddleMan when selling services. This is the number one way to get scammed.

It's against HF Rules for a Seller to refuse a MiddleMan. It's also against HF Rules for a Seller to force a deal to be conducted off-site. All business deals should be conducted on-site. Why? This ensures that all conversation between you and the seller are transparent, and the conversations can't be deleted by either party. Yes, unfortunately this type of thing happens on-site.. even with

Sellers that are supposed to be "Reputable". So do yourself a favor, and stay on-site with any business transactions.. and if you're not comfortable sending a seller payment upfront, demand that they use a MiddleMan. If they refuse, report them to Staff.

You need to understand, that deals conducted off-site are not back by our Deal-Dispute feature. So if you allow a Seller to convince you to do a deal off-site, and you get scammed.. you won't be getting your money back, and it's a chance they may not be held responsible. You can avoid all of this, by simply staying on-site with all your business transactions.

How To Contact Me For Service:

There are a few ways that you can use to reach out to me for service, one of them being by simply leaving a message on this thread.. and I will reach out to you via Private Message within a few hours. The second method of contacting me for service is you can send me a Private Message here on the forum.. but for various reasons, that doesn't always happen. So in the event you're unable to contact me thru Private Message here on the forum, see my Alternative Contact:

While I won't negotiate, or conduct any deals off-site.. if I'm not online, or you're having a difficulty reaching me, you can send me a message on Discord, and I will reach out to you from there. Copy & Paste my Discord Username. There have been known to be scammers who try and create accounts with similar usernames, in an attempt to manipulate buyers into contacting the wrong person.

For this reason, I recommend you to Copy & Paste @MooooookieHF and paste it into the search on Discord.

To ensure you're speaking with me, and not an imposter.. have me confirm who I am by having me send you a message here on the forum. If the person you're speaking with is not willing to confirm that they're indeed me, then you're not speaking with me.

I WILL NEVER SEND YOU A FRIEND REQUEST FIRST ON DISCORD, OR ANY OTHER PLATFORM!

DON'T ALLOW YOURSELF TO BE SCAMMED BY ANY OF THESE BROKE DESPERATE SCAMMERS!

Buy With Confidence:

Our overall objective is to make sure our customer is satisfied. We have a Perfect Selling History, and have never had any Deal-Disputes! Buy with confidence, knowing that you will get exactly what you paid for, with no issues later down the road.. and if a problem was to occur, that we will work with you to get it resolved. That's our GUARANTEE.

Don't Get Scammed - Do Your Due Diligence!

Want to check whether the Seller you're getting ready to do a deal with has past [color=#E82A1F] Deal Disputes? Simple. Click the Search Icon at the top of the forum, Click 'Advanced Search', Type the Sellers UID(the last 7 digits of the users profile URL) into Keyword Box, Select 'Entire Post', Select 'Deal Disputes' in the Forums List as shown in the image below, and Click Search. This will display all Deal Disputes opened against said Seller.

Like any other place on the internet, Hack Forums has it's fair share of Scammers and unreliable Sellers. To help Buyers get a better feel for who they're doing business with, we have a thing called a Credibility Rating. Included in this are 3 ratings.. Excellent, Average, and Poor. Each one of these numbers indicates a deal they've done on-site.

These ratings are how previous Buyers scored their deal with said Seller. While you shouldn't make your sole decision based off a Sellers Credibility Rating, it can give you a good indication on which Sellers to avoid doing business with. The higher the number, the more deals they've done on-site. If you see RED - this is a good sign that you should do your due diligence on this Seller, or might want to avoid doing business with the Seller all together, as previous buyers have had a bad experience with them.. and the Seller did not take the time to make things right before closing the contract. For more details, you can click on any Sellers Username and their Credibility Rating and get more details as to why said Buyers gave them that rating!

Yes, I can do copyright. In regards to the account being disabled for CP, was that really what was being posted on the account? If yes, then no I wouldn't be interested in restoring the account. If it's a case of the account being false flagged and disabled for that.. then yes, I can restore all sexual bans.

The account was disabled because a media company mass claimed it randomly and tried to extort funds from the owners at grossly overpriced rates.

Its a copyright banned as stated, not sexual mate.

Ohh, I thought you were implying that it was a sexual ban when you asked the question about cp. But yes, Copyright Ban is not a problem and can be unbanned swiftly. If you would like a quote, send me a PM with the following information:

Username

Email of the account

Follower count

Screenshot of disabled screen (attempt to login, it will tell you the account is disabled, and state the reason, click Learn More and take a screenshot). If it doesn't have the Learn More option, just take a screenshot of the message displayed when it fails to login).

And I will provide you with a quote for an Instant restoration, as well as a price for a standard restoration. Instant restoration, the account will be restored within 24-36 hours, as I have to give the request to the Rep, and wait for him to submit it whenever he submits the rest of his restoration requests for the day. Price for Instant restoration is much higher then standard restoration, as the process is done within an hour of submission, and is 100% guaranteed the account will be restored. Standard restoration, take between 7-14 days and is cheaper and has a 10-15% fail rate.

Hello. Yes, we can recover some FB AD accounts. Send the details to my Private Message, and I will have my guy look up your account.

(Nov 20, 2024 11:07 PM)Blogger Wrote: [\[CITE\]](#) I just get a message that says "No users found" when I try to log in. Is this account salvageable?

No users found? Where is it showing you this message? If the account is suspended, disabled, or permanently disabled, we can recover it. Please send me the case details to my Private Message, and we will look up your account and see what the damage looks like.

If it's giving you an option to appeal, DO NO APPEAL the decision. If you already appealed it, it's OK.. it's just I can get you a much cheaper rate when the account has NOT been appealed. Once it has been appealed, now the account must be restored directly thru Rep and not thru other means.

My FB account was suspended few months ago and I received this:

Quote:Your Facebook account has been suspended. This is because your account, or activity on it, doesn't follow our Community Standards on fraud and deception.

If you think we suspended your account by mistake, you have 180 days to appeal our decision. If you miss this deadline your account will be permanently disabled.

I had a page that had a name similar to a very know brand however I also have a LLC registered with that name. My account was suspended due to this. I have appeal but it has been 3 months and it is still pending review.

Can you help?

Yes, I can help with a hacked Instagram Account, even if the hacker has added 2FA. I will contact you via Private Message to further discuss.

Just a heads up, this is a mainly English speaking forum, and so one of the rules of the platform is that all Threads and Replies be in English.

INSTAGRAM ? FACEBOOK
UNBAN SERVICE

ACCEPTING ALL CASES... APPEALED AND NON-APPEALED.

"Permanently Disabled" .. "Stuck in Review?" ..? NO PROBLEM!

We can restore your account even if it is Stuck in Review/Permanently Disabled - GUARANTEED!

WE CAN, AND WILL BEAT ANY COMPETITORS PRICE. GUARANTEED.

As the thread title says, I can unban almost any Instagram and/or Facebook account instantly with a 100% GUARANTEE. Even if the account is "Permanently Disabled". The only ban type that I cannot restore, is Cyber Security, Fraud, and accounts with DNR Notes.

Unban submissions are done Monday - Friday. No unbans will be done on the weekend. The price for each account unban will vary, depending on a variety of factors. If you would like a quote, feel free to send the case to my PM and I will return a quote within 24 - 72 hours, depending if it's the weekend or not. In most cases, I will return a quote within 24 hours.

This service is 100% GUARANTEED. The unbans are done instantly, and don't require 7-14 days like most services that unban accounts.

I only provide Instant Unbans, and refuse to waste buyers time with Submission Unbans. What's the difference between the two? Difference is the Success Rate, and the length of time it takes for you to get your account back.

With an Instant Unban, you're 100% GUARANTEED to get your account back and the amount of time for service is approx 24-72 hours(typically completed within 36 hours, sometimes as quick as 1 hour!). On the other hand, Submission Unbans take 7-14 days to process, and have an extremely low Success Rate.

Rather than waste buyers time, I don't provide Submission Unbans.. as no one wants to wait around 14 days, with their money being tied up in a deal, just to find out that their account didn't get unbanned. There are plenty of horror stories of users thinking they're saving money by going with a Submission Unban.. just for 2 weeks later, to find out their account didn't get unbanned. We don't do that here, if you come to me to unban your account.. you're getting your account back 100% GUARANTEED.

Have an account you would like unbanned? Shoot me a PM, let's get that Instagram Account/Facebook Account back for you today!

Why Choose My Service Over Somewhere Else?

No need to have someone holding your money for 2 weeks, wasting your time.. just to find out your account isn't getting unbanned. I will have your account unbanned within 24-72 hours.. and the unban is GUARANTEED.

My prices are typically 30-50% cheaper then most competition.

Most services that unban accounts take 7-14 days to attempt to recover an account.. and their success rate is extremely low. Ask around, many buyers have attempted to purchase from these "alternative" sources.. just to have their time wasted. My service is INSTANT, and we typically can get the job complete within 24-72 hours from the start of contract.(timezones and weekends can make the time fluctuate)

My service is GUARANTEED. Most services that offer Instagram restoration, are submitting forms and hoping that it gets approved by a Senior Rep, this is why they can't 100% guarantee that the account will be recovered. I'm working directly with the Senior Rep that will be restoring the account, there are no forms being submitted here.. just 100% account restoration GUARANTEED.

Instagram Restoration heavily revolves around the reason the account was banned, aka the ban reason. The more severe the ban reason, the more the recovery will cost. Many places that claim to recover accounts, are limited in the ban reasons they can recover.. and they can't recover Permanently Disabled accounts. I can recover 99% of ban reasons, I can recover accounts even if they have been Permanently Disabled, I can recover accounts extremely fast, and I can do it for CHEAPER then my competition. That's just the facts. Did I mention that my service is GUARANTEED? ?

WE CAN, AND WILL BEAT ANY COMPETITORS PRICE. GUARANTEED.
(just send a screenshot of a competitors price, and we will BEAT it - GUARANTEED!)

OPEN TO USING ANY TRUSTED MIDDLEMAN

Vouch(s):

DO NOT APPEAL YOUR SUSPENSION FOR CHEAPEST RATES OF RESTORATION.

How To Contact Me For Service:

There are a few ways that you can use to reach out to me for service, one of them being by simply leaving a message on this thread.. and I will reach out to you via Private Message within a few hours. The second method of contacting me for service is you can send me a Private Message here on the forum.. but for various reasons, that doesn't always happen. So in the event you're unable to contact me thru Private Message here on the forum, see my Alternative Contact:

While I won't negotiate, or conduct any deals off-site.. if I'm not online, or you're having a difficulty reaching me, you can send me a message on Discord, and I will reach out to you from there. Copy & Paste my Discord Username. There have been known to be scammers who try and create accounts with similar usernames, in an attempt to manipulate buyers into contacting the wrong person.

For this reason, I recommend you to Copy & Paste @MooooookieHF and paste it into the search on Discord.

To ensure you're speaking with me, and not an imposter.. have me confirm who I am by having me send you a message here on the forum. If the person you're speaking with is not willing to confirm that they're indeed me, then you're not speaking with me.

I WILL NEVER SEND YOU A FRIEND REQUEST FIRST ON DISCORD, OR ANY OTHER PLATFORM!

DON'T ALLOW YOURSELF TO BE SCAMMED BY ANY OF THESE BROKE DESPERATE SCAMMERS!

Buy With Confidence:

Our overall objective is to make sure our customer is satisfied. We have a Perfect Selling History, and have never had any Deal-Disputes! Buy with confidence, knowing that you will get exactly what you paid for, with no issues later down the road.. and if a problem was to occur, that we will work with you to get it resolved. That's our GUARANTEE.

Don't Get Scammed - Do Your Due Diligence!

Like any other place on the internet, Hack Forums has it's fair share of Scammers and unreliable Sellers. To help Buyers get a better feel for who they're doing business with, we have a thing called a Credibility Rating. Included in this are 3 ratings.. Excellent, Average, and Poor. Each one of these numbers indicates a deal they've done on-site.

These ratings are how previous Buyers scored their deal with said Seller. While you shouldn't make your sole decision based off a Sellers Credibility Rating, it can give you a good indication on which Sellers to avoid doing business with. The higher the number, the more deals they've done on-site. If you see RED - this is a good sign that you should do your due diligence on this Seller, or might want to avoid doing business with the Seller all together, as previous buyers have had a bad experience with them.. and the Seller did not take the time to make things right before closing the contract. For more details, you can click on any Sellers Username and their Credibility Rating and get more details as to why said Buyers gave them that rating!

I started a contract with this user earlier this evening, and he completed the job within 30 minutes of receiving payment. I highly recommend him. ?

In addition to the task at hand, he was also very responsive to all my follow-up questions about the unban process and the other services he offers. He answered everything thoroughly and professionally, which I really appreciated. To top it all off, he even matched the price of another vendor I typically use for my social media-related issues.

I entered into a contract with Mooooookie to help me reopen my Facebook account that had been banned for very serious reasons. A task that very few would be able to handle and very few would dare to attempt.

Mooooookie really worked day and night, almost literally. He went the extra mile for me in every way. He was always super informative and even after the task was completed he still continued to guide and help me.

Many times I was about to give up, but he NEVER gave up. And every time something new was tried, he was open about it being my own choice whether we should continue, or I could always get my money back.

You can't find a better man for the job than Mooooookie. He is the absolute best!

(Jan 30, 2026 01:05 PM)Missekat Wrote: [\[CITE\]](#) I entered into a contract with Mooooookie to help me reopen my Facebook account that had been banned for very serious reasons. A task that very few would be able to handle and very few would dare to attempt.

Mooooookie really worked day and night, almost literally. He went the extra mile for me in every way. He was always super informative and even after the task was completed he still continued to guide and help me.

Many times I was about to give up, but he NEVER gave up. And every time something new was tried, he was open about it being my own choice whether we should continue, or I could always get

my money back.

You can't find a better man for the job than Mooooookie. He is the absolute best!
Thanks for the outstanding review.

The entire job was much more difficult then either one of us initially anticipated.. appreciate you having patience, and trusting the process as well as trusting me to get the job done.

Huge vouch for Mooooookie! Got an IG unbanned for us last week. This was a complex case and had a lot of moving parts for him which is why it took a bit longer than usual yet he kept me involved every step of the way. Excellent communication. Highly recommend this unban service and will come back with more clients.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page

and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
