Thread: [Finally got Sportsbook Award](#)

Mr_Kh4os - October 13, 2024, 7:40 am

It has been a good month and we finally did it(Shoutout to [mention=420] for moral support XD) I achieved the award.

I think I upgraded to Ub3r around the 6th and had 2k bytes flipped/blackjack to 5k headed to Sportsbook and now have been nailing bets my next goal is to hit 100k bytes from the original 2k and I am 52/100k(probably have won closer to 65k now however scratchers amirite).

Might do it over again once I finish 1k to 1m Bytes thread?

I am definitely having more fun here then IRL as I seem to lose there XD.

NFL/College really, sometimes do a little NBA but IMO it is a coinflip. I might check out UFC now that I have a subscription though I am interested haha.

NFA of course but I just did -

32k on Ravens ML

25k on Packers ML

It does kinda feel like that I got the slots one recently as well xD, I really like HF and spend a lot of time here so might as well grind them as well.

Thanks everyone!

Prawnster - October 13, 2024, 8:52 am

Thats one I've been looking into but I'm fuckin clueless when it comes to sports hahah, it's something I'd either need good advice on to get to 100k or I need to be very very lucky, repeatedly hahaha.

That's one of the ones I really want, is the Dice from slots. I think it's a visually nice award, and I like playing dice.. so will aim to get it once I manage to get the Hack Game award. Still got a long ways to go before I get that.

Don't you want to try out the Sportbook award? You just need to place bet 100k bytes within a month to earn the award. ?

I usually bet on MLB, NBA and a bit of NHL games. When I win, I use that for the next day's bets. Sometimes I lose it all, but I always come back to try my luck again. ?

Losing it all is so discouraging though. So it seems like a very difficult award to obtain. 100k = \$250. Seems like a lot to potentially waste ?

Just little by little bro, like 1k bet per day and if you are so sure of the team you were betting then make a bigger bet ?
