Omniscient - October 17, 2024, 6:42 am

<https://hackforums.net/showthread.php?tid=6229869> That was in Dec 2022. I plan on doing a new Riddle/Puzzle in the coming weeks.

I have an outline for the clues and whatnot. Gonna be pretty hard this time.

DashPHP - October 17, 2024, 6:43 am

Can't wait for it. Thanks!

Eran - October 17, 2024, 6:44 am

I was just thinking about that last night. I really hope to get it this time, that award is dope! Looking forward to it..

Riggs - October 17, 2024, 6:46 am

Recommend ensuring ChatGPT can't solve it in 0.36 seconds.

How many tries could we have? Didn't see this on the op

Nostre - October 17, 2024, 7:44 am

Assuming you had AI assist you.... good luck to all, including myself. ?

Last HF Riddle was 5 tries, but this year it could be more or less. Entirely up to [Omniscient](#)

Snowwy - October 17, 2024, 7:58 am

I suck at solving riddles, but it sounds fun nonetheless.

Confound - October 17, 2024, 7:59 am

This will be fun - I don't think I participated in 2022, looking forward to it.

Yin Yang - October 17, 2024, 8:00 am

Oh shit, hopefully I can get it this time

sYndroM - October 17, 2024, 9:46 am

This would be fun. Hopefully we will have some clues also.

123 - October 17, 2024, 10:07 am

Looking forward to it Omni.

Cap - October 17, 2024, 11:47 am

Man I thought the last one was challenging, can't wait to see how hard this one is. Regardless, it's a really fun time and I enjoyed the last one.

Pimping - October 17, 2024, 2:36 pm

I will be participating!
looking forward to it

SIM-2501407 - October 17, 2024, 3:21 pm

Will this require cryptographic/tech knowledge?

sharn - October 17, 2024, 4:46 pm

Challenging puzzles are the best and I am sure this one will be amazing!
Looks like it is going to be a lot of fun.

source - October 17, 2024, 6:10 pm

this will be fun, looking forward to it.

Game - October 18, 2024, 12:43 am

I look forward to the turmoil trying to figure it out!

RIP to our sanity.

(Honestly, can't wait.)

Money- - October 18, 2024, 6:15 pm

Did anyone got the award or whatever won something back then? Feels lots of guessing and time needed for this. Let alone I rarely browse around much.

Brendan - October 18, 2024, 7:45 pm

Still kicking myself for writing down the number and trying to match to positions of the alphabet instead of Hackforums and not realizing that it didn't make any sense...

illuminati? - October 18, 2024, 8:46 pm

Hell yeah.

It's really nice to see things from a few years ago coming back.

Gem - October 19, 2024, 1:38 am

Looking forward to the challenge

Cooligan - October 19, 2024, 2:56 am

I'm very excited for this, especially since I didn't get to win one of the 2022 riddle awards.

Bring on that HF trivia ?

Fortunate - October 19, 2024, 8:11 am

This looks fun. Will definitely try to attempt.

Mr_Kh4os - October 19, 2024, 3:02 pm

I will never say no to a new chance to win a reward XD.

Let the games begin(soon) ?.

He was the only escrow on the forum.

He was the only escrow I trusted (y)

Wait what the flip are you on about lol, I do not even think there was a Staff member called "Escrow" there was a group called Escrow owned by Factor8, are you okay, I don't know what relevance this has to the thread.

P1N7 - October 22, 2024, 3:55 pm

It's not Factor8, though I sometimes believe it is.

Regulus - October 22, 2024, 4:18 pm

Are you sure that it's not [Cooligan](#)? But he's a great dude

DanielZ - October 22, 2024, 9:21 pm

Looking forward to seeing what you can come up with this year

I'm jealous of your Lucky award and your Ass Kisser award lol.

I actually used to have the Ass Kisser award some years ago, but lost it since then. D:
It was a cool award to have too ironically enough lol.

I really hope I can too.

I love the feeling of earning awards on HF, it's very rewarding once you do. Especially awards like the riddle one, gotta actually put in effort to be able to have a chance at it. That's one of my favorite aspects of it.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
