I thought the "trailer" would be like every other trailer where it looks amazing, and the game isn't as good. LOL

I plan to buy it, after watching the gameplay I come to the conclusion that bloober team did a masterful job in resuscitating such an iconic game. They had a lot of pressure on them and they handled it phenomenally ????

I already can't wait to play it myself ?

A game worth every penny spent on it.

Mr_Kh4os - October 22, 2024, 4:16 pm

I have not yet purchased but I will be soon I just need to find some time to sit and game first!
