I have made more than thirty threads and have 100% for the pumpkin on the goal awards page but I still don't have it?

Jamika - October 18, 2024, 3:40 am

U sure none ofnit got deleted? Counted them again one by one?

The Pact - October 18, 2024, 3:41 am

Does it actually show 100% when you don't have enough threads? I counted the threads ages ago.

I can see the award on your profile

I'd actually made 47 threads! And it said 100% but still wouldn't show up! ?

It really took it's time. I had 100% on the award goals page for ages before it showed up.

Same thing happened with the 10 year award. I had to logout and log-in to see the award.

I can see the award on your account. When I hit 600 / 30, it took several minutes for it show up on my account.. but it will show up. As I said, I can see it. The struggle is finally over. Congratulations on your hard work.

I'm at 30%

I know it's doable, just need to limit my runs so that i dont start producing lq stuff.

Just now I saw the 30 threads, it'll be little tricky.
