48 laws of power

The prince

Psychology of Money

The Art Of War

I agree with The Prince, Machiavelli is one of the most important political philosophers. You can learn a lot about governance even in the modern day through The Prince.

I think all 4 of these are good recommendations

I have read art of war and 48 laws of power

Here are four classic books that many consider must-reads:

"To Kill a Mockingbird" by Harper Lee

"1984" by George Orwell

"Pride and Prejudice" by Jane Austen

"The Great Gatsby" by F. Scott Fitzgerald

I think

Art Of War (would be on my list also)

The bible

Misery

1984

and probably the new Guinness world of records haha
