Thread: [\[FREE\] 60-Day Crunchyroll Trial - Offer Ends 10/24](#)

Epic - October 21, 2024, 8:35 am

Hello everyone,

Back with another deal. This one is for 60 days of Crunchyroll Mega Fan Unlimited. Make to sure to cancel before the 60 days is up, otherwise you will be charged for the following month. Only catch here is it looks like this offer goes away at midnight pacific time 10/24, so you will need to redeem the offer before then. Two months would normally cost about \$24.

I apologize if the link has a referral in it, the link is directly from slickdeals and I can't find another way to link directly to the offer.
